

"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago." – Ephesians 2:10 (NLT)

WELCOME LITTLE ONES!

CREATING COMFORT CONNECTIONS

*I am so thankful for the care and work of these beautiful God-sent staff. They really blessed me with being able to **meet my baby** and helped me with multiple resources needed for a healthy pregnancy. I am just so grateful for this place. Thank you for hearing my concerns and taking action to **making me feel so secured** in this pregnancy.*

– "Marie"

Annette Jones, Comfort Office Supervisor met with a young woman, "Cara", at our Comfort office. During her pregnancy test appointment, Annette learned this young mom was **homeless** and without a car. She was in great need. Throughout their following appointments, Annette was able to help Cara find local food resources and assist her with the Medicaid application process. Cara stated that **she has been able to see how God has been caring for her** through all the difficulties she has faced. She is seeing a way forward to some important decisions that will improve life for herself and her family and is **excited for the future** for the first time in a long time. It is a real privilege to serve those God sends our way and to watch Him weave the pieces of someone's lives into **His unique plans for them!**

CHURCH COUNCIL COLLABORATES

July's **Church Advisory Council quarterly meeting** was hosted at HCPCC by **Oak Hills Church**. What a wonderful opportunity for so many representatives and churches to come together under a single cause, LIFE, and learn how each congregation is serving their community and why HCPCC is a ministry close to their hearts. Special thanks to Oak Hills Church's Dean Mathis for sharing.

If you or your church is interested in participating with us, please contact Lulu Belz, Development Director at lulu@hpcctexas.org.

MAKE-A-WILL WORKSHOP

In honor of Make-A-Will Month, HCPCC hosted a **Make-A-Will Workshop** for our Friends for Life supporters. We are so grateful we could share the insight of **Ron Zunker** from **PAX Financial Group** with everyone who attended!

We value our supporters commitment to LIFE! Family is of utmost importance, today and for our collective future.

Creating a will is a meaningful way to communicate what's most important to you and cultivate the legacy of life you hope to fulfill.

Watch for more FREE estate planning resources in the upcoming months.

BOTTLES BRING BLESSINGS

With 21 churches participating in our Baby Bottle Boomerang campaign so far in 2024, **\$50,033 has already come in** to support our client programs. This wonderful, simple campaign is one of our favorites because the bottles are taken into your homes and filled with checks, cash, and coins. Thank you to everyone who participated through one of the churches listed below!

NEW PARTNERSHIP PROGRAMS

To better honor and recognize our businesses and church partners, we have improved our Corporate Partner program. We'd like to introduce two new ways for local organizations to partner with HCPCCC!

The **Premier Business Partner Program** is for businesses and non-profits who want to affiliate themselves with HCPCCC by becoming an annual supporter.

The new **Church Champion Program** recognizes local churches who partner with HCPCCC in specific ways.

For more details about becoming a Premier Business Partner or Church Champion, please contact Lulu Belz at lulu@hpcctexas.org.

FAITHFUL SERVICE

We are so grateful for the many ways local churches partner with HCPCCC. This summer, we had opportunities to partner in-person with members from **Oak Hills Church** (above) and **City Hills Church** (below) as part of their summer service projects!

Thank you to **First Baptist Church of Fair Oaks Ranch**, for your Father's Day gift!

Some of the over 300 youth attending the **Lutheran National Youth Gathering** in Boerne stopped by to serve at HCPCCC. It was a joy to have them!
