## TIMELY, TENDER CARE

Recently, **Nurse Leah** met with a walk-in client. This young lady thought she might be pregnant but wasn't sure how far along she might be, as she hadn't seen a doctor. During the ultrasound, they found an amazing, active little person on the screen; measurements indicated that this young mom was already in her **third trimester!**

Our team was able to directly connect this young woman to a local hospital to facilitate an immediate appointment to prepare for the quickly approaching delivery. This mom was so grateful for the kindness and care she received from the team at our center.

**Our availability and accessibility are lifesavers!** We are so grateful that the Lord allows us this privilege to save lives, strengthen families and educate our community.

## REMEMBERING JOHN PETERSON

We honor the service of **John Peterson**. John was a board member since 2016 and could always be relied upon for wise counsel. John passed away this April at the age of 93. We are grateful for his faithful service to the Lord and to Hill Country Pregnancy Care Center. **Well done John**, you made an eternal difference in the lives of many!

## PIECED WITH A PURPOSE

Donna and Lulu attended a meeting of the **Cibolo Creek Quilters Guild** in Boerne to tell the group about our free services to women, men, and families. The Guild has often donated **baby quilts** and **blankets** for our layette baskets, but many of the members have not had a chance to talk directly with our organization. Everyone was blessed by the meeting and HCPCC brought back a **trunk full** of beautiful quilts! Thank you, quilters!
